ORDER:

In the reference read above, the Engineer-in-Chief(R&B) State Roads has stated that the “Mudigubba-Chinnakotla road is an important road and it connects from Madakasira Penukonda historical palaces, Puttaparthi World famous pilgrim centre and NH-205 at Mudigubba to pulivendula in Cuddapah District. It is the shortest route connecting to pulivendula and Cuddapah head quarters from Anantapur head quarters as it will reduce the distance by 25 Kms. Hence it is very necessary to widen the road from Km 0/0 to 10/0 ie., up to Dorigallu village. The stretch of the road in Cuddapah District was also upgraded to double lane from Pulivendula to Dorigallu. Since this road shortens by 25.00 Kms distance to Pulivendula from Anantapur head quarters, all entire vehicles from Anantapur town are moving on this road only and the traffic intensity is increased and the CVPD for this road is 479. Hence this road required widening & strengthening. Hence an amount of Rs.1100.00 Lakhs is required to complete the road. The funds required for pre survey, Land acquisition and shifting of utilities will be around of Rs.55.00 Lakhs.”

2. The Engineer-in-Chief (R&B) State Roads, Hyderabad has further stated that the “Mudigubba-Chinnakotla road is an important road and at Km 9/10 low level causeway of 100 Mts is existing on the downstream side of Vemana Reservoir i.e on Madileru River. During rainy season, there is overflow on the low level causeway. Due to this the traffic was interrupted for nearly 3 days due to flowing of water on the existing causeway. Because of this, the villagers and vehicular traffic are facing many problems in emergency. Hence it is very necessary to construct High Level Bridge with Linear waterway of 100.00 Mts. Hence this road requires High Level Bridge at Km 9/10. Hence an amount of Rs.450.00 Lakhs is required. The funds required for pre survey and shifting of utilities will be around of Rs.22.00 Lakhs.”. He has therefore requested to accord Administrative Sanction under Stage-I clearance for an amount of Rs.77.00 Lakhs for the 2 works i.e. (1) Widening and Strengthening of road from Km 0/0 to 10/0 of Mudigubba-Chinnakotla road in Anantapur District for an amount of Rs.55.00 Lakhs. (2) Construction of High Level Bridge at Km 9/10 of Mudigubba-Chinnakotla in Anantapur District for an amount of Rs.22.00 Lakhs in Dharmavaram, Constituency Anantapur District under Plan (MDR).

3. Government after careful examination of the proposal of Engineer-in-Chief (R&B) State Roads, Hyderabad, hereby accord Stage –I administrative sanction for an amount of Rs.77.00 Lakhs (Rupees seventy seven Lakhs only) for the works (1) Widening and Strengthening of road from Km 0/0 to 10/0 of Mudigubba-Chinnakotla road in Anantapur District for an amount of Rs.55.00 Lakhs.
